

CAWSTON GRANGE PRIMARY SCHOOL NEWSLETTER

Friday 28th November 2025

This week has been our assessment week. It's not everyone's favourite part of school life, yet it plays a vital role in helping pupils grow. Working through assessments encourages children to develop resilience, maintain focus and manage tasks within a set timeframe. These are skills that continue to matter long after they leave primary school, so we try to make the experience as positive and purposeful as possible.

The information teachers gather during this week is incredibly valuable. It gives us a clear picture of what each child has mastered and where further support may be needed. It also highlights patterns across classes and year groups. All of this feeds directly into our planning for the spring term, allowing us to tailor teaching and intervention so pupils can make the best possible progress. Assessment week is far more than a set of tests. It's a chance for us to reflect on how well the curriculum is landing and to make thoughtful adjustments that benefit every learner.

We're also delighted to share that our new school promotional video is now live. You can watch it on our Facebook page here: <https://www.facebook.com/reel/826661866878246> and it will soon appear on our school website too. The video gives a warm and honest glimpse into daily life at our school. It's a lovely way to showcase what we offer the community and prospective families. As local birth rates continue to fall, it's important that people know about the strengths and opportunities our school provides so we can remain busy and sustainable well into the future. The children featured in the video were brilliant – future television presenters in the making!

We currently have two job opportunities available, both of which are key roles within our team. We are recruiting for an operations manager and a site manager, as Mrs Brand and Mr Tsvetkov (known to the children as Mr Nik) will be moving on to new ventures. Links to the information packs can be found on our Facebook page. Please do pass them on to anyone who might be interested in joining our school community. These roles have a real impact on the smooth running of the school, so we are keen to reach as wide an audience as possible.

Finally, tomorrow brings our Christmas Fayre, which marks the official start of glitter season in school. We'll do our best to keep things calm for a little while longer, though once the festive spirit takes hold there's no stopping it!

Thank you for supporting the PTA and helping make these festive events possible — we can't wait to celebrate the season with you! 🎄 🎁

Sunset Club

Places at our after-school club are open for bookings now! Please make sure that you have completed your registration form and handed it in to the school office. You can book spaces at the club using SCOPAY.

To help us ensure that we can order the correct food and have appropriate staffing levels, it would be helpful if parents could book their sessions as soon as you know what you will need. If you have booked a session and no longer plan to use it, please inform us 24 hours in advance to avoid being charged.

If you are paying with Childcare vouchers/Tax Free Childcare scheme, please e-mail the school office admin3594@welearn365.com to let us know which account the money is for i.e. Breakfast club or Sunset Club, we will then be able to allocate the funds to the correct account.

Playtime Snacks

Key Stage 2 children are allowed to bring a snack from home to eat at play-time. Please ensure that this is either a piece of fruit or a cereal bar. Many children are taking items such as packets of crisps or sandwiches from their lunchboxes but these should be eaten at lunch, not playtime. We have also reminded the children of this in school

THIS SCHOOL IS
NUT FREE

Please remember we are a nut free school

Breakfast Club

Please remember that all bookings and payment for breakfast club places need to be made via your SCOPAY account, all breakfast club places must be pre booked at least 5 days in advance.
