- **Wash.Lift.Walk:** The Big Tap challenge.
- Food Waste Vehicle Naming competition.
- Eco Councillor tip of the week.

Wash.Lift.Walk.

Wash.

Lift.

Walk.

OUR TAPS GET STUCK.  
GIVE THEM A HELPING HAND.

SAVE WATER. SAVE ENERGY.

Let's all get into the habit of lifting the taps after each wash. They don't always work automatically and that wastes hundreds of litres of water *and* the energy to heat it, which costs the school £££...

# Food Waste Vehicle Naming competition

Rugby Borough Council collects all the waste and recycling from our homes.

Starting in the Summer 2026, they will also be collecting food waste. We'll be sharing more closer to the launch date...

For now, you can enter a competition to name the new Food Waste Collection Vehicles. All local primary schools can take part... perhaps this year there will be a winner from Cawston Grange?

In the 2024, the recycling trucks were named *Binderella*, *Chitty Chitty Bin Bin* and *Recyclosaurus Rex*!  
What might your food theme be?

Check out the information on Class Dojo to find out how to enter.

Prizes include Lego sets and the chance to see the vehicles up close.

Deadline: 23 March 2026.

## Eco Councillor tip of the week:

Alexander recommends the Merlin Bird ID app to help you identify the birds singing in your garden or out on a walk. Connect with nature and grow your Knowledge.

(Mr Clements agrees – he's been using it for a few weeks and it's opened up a new world of sound!)
